## Are you a student at ucla?

Participate in online research on student experiences and mental health and go into the draw to win a \$50 Amazon gift card!

Principal Investigator Dr Bridget Callaghan invites you to participate in this research study.

To complete the study, just follow the link:

brainandbodylab.psych.ucla.edu/participate/

Email additional questions to: bablab.ucla@gmail.com

## What you do:

-complete surveys about your emotional health, personal obligations, stress levels, and financial strain.

-give non-identifiable demographic information

## What you get:

-go in the draw to win a \$50 Amazon gift card

(Participation in the study is not required in order to participate in the raffle)
